

2016 Hythe Festival Raft Race Success

Well done to the Hythe Ladies on their fantastic efforts in the raft race and with fundraising!!!

So, back home, tea in hand, a little sun kissed, with sore muscles and a medal round your neck. Third place, lots of fun and new friendships made. And, most importantly....the FASTEST TIME of the day!!!!

At Hythe Aqua we know that, although its great to bring home a medal, its all about THE TIME. The good time you've had.. and the time you achieved!!

Beaten by larger teams (who used their reserves for 'fresh blood"!), not to mention younger teams (20 years younger!) we hope you'll agree that we did ourselves, and Hythe Aqua, proud. Thank you all for your support today, and also for the sponsorship you have given. Our target of £300 for the fantastic Demelza Children's Hospice is so very nearly in sight, thanks to the amazing work done by our President - Wendy Wiseman. If you haven't already dug deep, are you able to pledge a few pounds to help us reach (or exceed) our target? Without donations, the Demelza Childrens hospice could not do its job of supporting very poorly children and their families. Email me if you would like to donate and I will find you poolside to take your full details.

Now....where's that muscle rub.....

Thank you.

Hythe Aqua Queens of the Canal
Chantal, Kate, Steph and Sonya
