

More triathlon success for Toby Yemm.

Toby Yemm of Hythe Aqua just missed the podium taking 4th place overall at Channel Sprint Triathlon September 2018

At 15 years old Toby was the youngest competitor and the only individual under twenty competing in this tough Sprint Distance Triathlon.

The rough sea swim to start was reduced from 750 to 500m because of the choppy conditions.

Toby emerged in 4th place out of his first ever competitive sea swim in a field of 80 plus.

Toby had the 7th best time on the very hilly bike leg and 3rd fastest run time of the day.

This was the week after taking the win at the TrailX off road Sprint Triathlon in The Ashdown Forest completing a successful year in Triathlon for Toby.
