Kent Junior League

Sept 20 2021

Well done to our Kent Junior League Team competing at Hartsdown Pool, Margate last night. For the majority of the team it was their first ever competitive swim and they recorded lots of new personal best times. This was the first real league gala for almost 2 years and it was good to see a Hythe Aqua team competing in the Kent Junior League once again. We had gaps in the team following the lack of swim teaching during the long Covid closure periods but at least competitive swimming is back running again and we can look forward to rebuilding the Hythe Aqua Team to full strength in 2022.

A big thank you to our poolside parents and club officials for supporting our team last night.
