

Hythe Aqua annual Club Championships

Hythe Aqua held its annual Club Championships at Dover Pool on Sunday 9th November.

Club swimmers swam well recording a huge number of new personal best times in the licensed event and some qualifying times for Kent & Masters Regional championships. All swim times are being uploaded to the Swim England rankings database. A big thank you to the coaches, officials and parent volunteers that gave up their time to enable the event to go ahead. A special thank you to our visiting officials from other clubs that enabled the event to be licensed and also to Dover Lifeguard Club for the use of some of their equipment. Lots of pictures from the event. There were lots of boys at the event but too shy to be photographed!
